Foreword

Fair Athens! In this gifted spot,
Where science, art and beauty dwell,
I'm glad thou'st given me this lot,
To live here and to know thee well.

Thou'rt all atune with Nature's voice;
Inspiring intellects are here;
I fain would heed thy good advice,
To dwell within thy gates fore'er.

"CROSSING THE BAR"

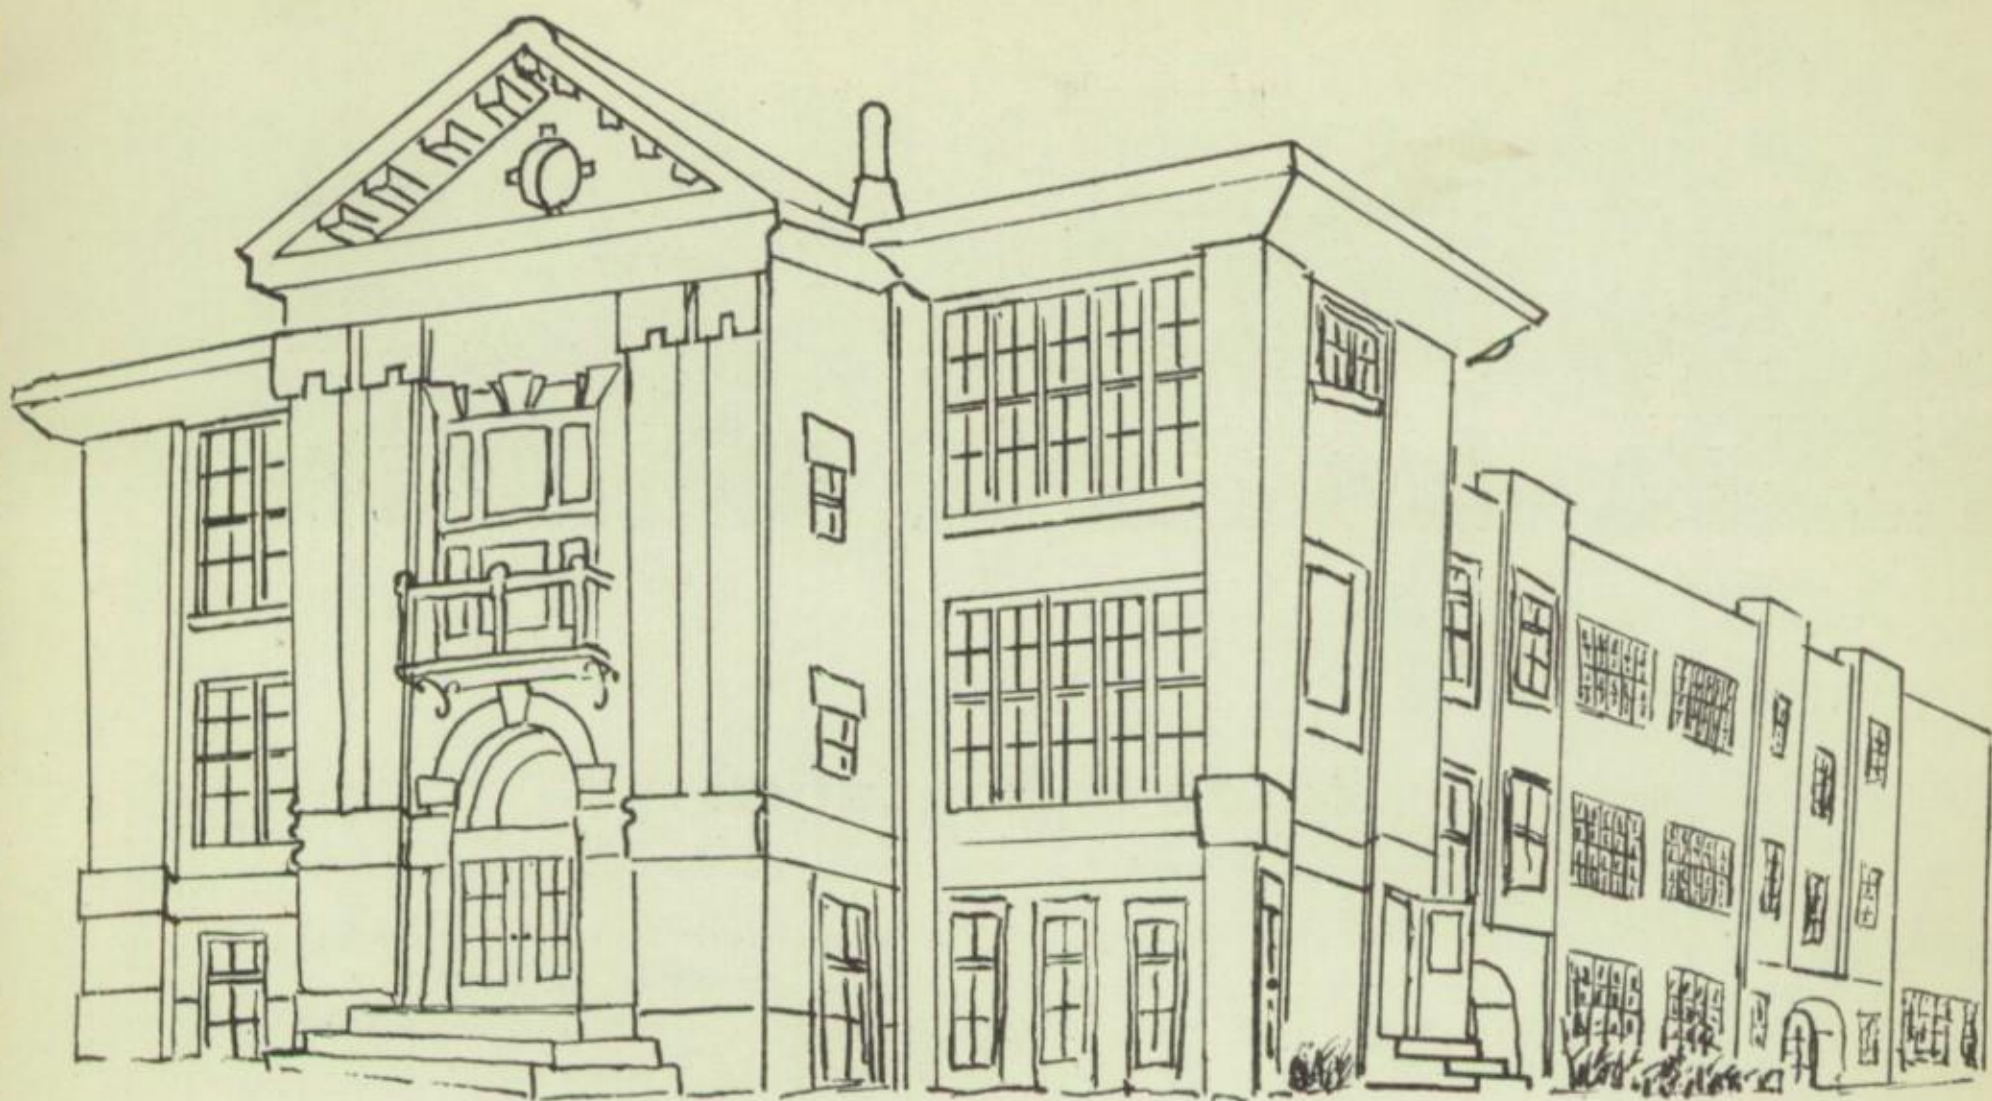

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Board of Education

We are pleased to dedicate this page to the board of education.

The board of education represents all the people in promoting the general educational welfare of the community. Possibly no other representative group is more closely associated with activities and interests which are so constructive and potent for the advancement of our social well-being.

Historically and legally the board of education is a policy determining body. Education is a function of the state, but its adaptations and applications are made in the respective communities.

The student body and parents of the community believe that the present board of education has the capacity, the initiative, and the courage to survey educational needs of the community and take appropriate action to meet them.

The people of the community indicated their faith in the present board at the polls last November by voting a continuation of the three mill special levy for a period of five years, and by reelecting three of the members, whose terms would have expired January 1, to a new four year term.

Last year the board of education asked the state department of education to make Columbiana an Exempted Village district. This request was granted, starting September 1, 1937.

SENIOR CLASS HISTORY

One grand morning in September 1934, there was much confusion and excitement in Columbiana High School when sixty-five eager and expectant Freshmen enrolled. We were the Freshmen! What a day that turned out to be with tortures and humiliations for all of us! We started off on the right track, however, under the skillful guidance of our sponsor, Mr. Barton, by selecting the following officers: president, Dorothy Sheets; secretary, Jane Oesch and Janet Miller; (Jane having left school during the term) treasurer, Bill Detwiler.

We made our first debut into society with a wiener roast at which we were all thoroughly initiated. We also attended an All-Hi party and had a Hallowe'en party of our own, which turned out to be a great success.

The year flew around too fast, and after the haze of excitement settled, we found ourselves Sophomores. We were still the largest class in high school in spite of the fact that we were less three of our members. We now began to feel we were somebody for we could now look down on the Freshmen from our lofty perch. Our sponsor this year was Miss Darrow. The following officers were elected. President, Jack Fullerton; vice-president, Bill Detwiler; secretary, Evelyn Moore; treasurer, George Myers.

We had two parties this year. One was in the fall of 1935, the other on March 13, 1936. Outsiders were invited to these parties much to the regret of several students. It was during this year in April, that we lost one of our best liked students—Bill Detwiler.

The next year we entered the wide portals of Columbiana High School with eagerness. This was our big year! We were now Juniors. With Miss Darrow and Miss Fynes as sponsors, we elected these officers: president, Dorothy Chaddock; vice-president, Richard Fisher; secretary, Marguerite Kamery; treasurer, Walter Holloway.

Our Junior Play "Oh, Professor" was given.

It was hailed a great success much to our relief. We had no parties this year as everything had to be put into the prom, a long anticipated occasion. Our prom, which we felt was a work of art and the best ever, was a Morning Glory prom held May 14, 1937. Our class excelled in athletics this year and we doubt if C.H.S. could ever have gotten along without the pep, jolly atmosphere which we created, not only in the classroom, but also in the halls.

The fall of 1937 arrived—our year. We, the class of '38, were then holding the sceptre of the school! The long awaited year had arrived—The Senior Year. How strange we felt the first day with no superior classmen to order us around! We entered school with much pride trying to attain that longed for sophistication which is always associated with the Seniors. Our sponsors this year were Miss Darrow and Miss Martin. The following officers were elected: president, Eugene Poulton; vice president, Virgil Hoover; secretary and treasurer, Arlene Harrold.

We attended the prom this year given by the Juniors in our honor with much pride; also we attended an All-Hi party, the first to be held for three years. Our school paper was edited by the Senior Class as usual and late in February we began plans for our annual. A Senior play entitled "Big Hearted Herbert" was presented.

We are very proud to be the largest class ever to graduate from Columbiana High School. It is with sincere regret we leave its halls to take our place in the outside world. We hope that our faculty, friends, and schoolmates in dear old Columbiana High School will always have a kind thought for the class of '38—and bear in mind that:

"Lives of great men all remind us,
We must make our lives sublime
And departing leave behind us,
Footprints on the sands of time."

CLASS PROPHECY

Enroute Honolulu to New York,
March 1, 1948
Aboard U. S. Clipper,

Miss Ruth Case,
38 Rue de la Musique,
Paris France.

Dear Ruth:

While enroute to New York I communicated via television with all our former classmates and of course I could not reach you due to the European War. The television fog ray put up by the warring nations prevented me from seeing or hearing you. I was glad to learn of your tremendous success after studying voice in Paris.

I communicated with Bob Entrikin. He looked rather glum because the fog ray had put an end to his daily visits with you via television. He and Bill were certainly the outstanding stars in the Olympic games.

Dorothy Chaddock is managing editor of Matrimonial Notes for The New York Times of which Robert Forbes is editor. Their success is due to their early experience on the staffs of the C. H. S. News and The Torch.

Walter Holloway is a photographer and recently purchased the Stark Studio in Columbiana. He is very busy taking pictures of the graduates of the class of '48 for the high school annual.

Ira Culp has at last satisfied his desire for looking into things. He is a custom house inspector in New Orleans.

Alice Stacey is a social service worker in Chicago. She visited Columbiana recently for the first time since she started her work five years ago.

Jack Newell is a civil engineer and is making plans for a bridge that will span the ocean.

Helen Slagle is trying to teach the ethics of basketball to Vassar students.

Zora Morlan has an interior decorating shop in New York City. Most of the homes on Park Avenue have been remodeled by her.

Martha Smith is in Hollywood designing dresses for the stars of Warner Brothers, and it is considered "quite the thing" by the stars to have their pictures painted by Dick.

Isn't it exciting, Ruth, to know that one of the wealthiest men in the United States is none other than our old classmate Bob Miller, who discovered rich oil fields in Ohio.

Marcella Bush married the "one man in the world," and says she has all any woman could ask for. Mademoiselle Jeannette Todd disagrees with her. Jeanne says she has a beauty shop at Beverly Hills and is living the life of single blessedness.

Eugene Poulton is co-starring with Mary Anglemeyer in Paramount's latest production, "Springtime."

Garnet Hite is manager of Isaly's new store in Columbiana. It is still quite the fad for the high school students to stop at Isaly's after the games, and Garnet sees that they are well fed.

Joe Eckert has been appointed president of the "Cuckoo Bank." His slogan is "Give us your money an' pray, brother, pray!"

Ruth Buhecker, Lucy Weldin and Julia Yarian are the heads of a flourishing secretarial school in Detroit.

Clyde Bauer is an historian and is writing a history of ancient Greece.

Richard Fisher is coach at C. H. S. He must have infused some of his old spirit into the boys for they have not lost a game since he took over the job of coaching them.

And who do you think is Hollywood's latest discovery? Janet Miller—but she is trying to decide between a career and a home.

George Myers is representing the Buckeye State in the Senate at Washington, D. C. while Lauren Detwiler is a brilliant lawyer and seems to be headed for the Presidency.

CLASS PROPHECY (Con't.)

The Crawford Orchestra is scheduled to appear in the Hollywood Hotel program tonight. Lloyd's success, he claims, is due to his wife, the former Marguerite Kamery.

Doris Lindsay taught English for a few years at Kent University, but she recently married her sweetheart of high school days.

Evelyn Zimmerman, a well known dietician, has recently discovered a new dish which has become very popular. Arlene Harrold, an accountant, is busily taking care of the incoming orders. Bob Lipe is advertising manager. So you see the old gang does stick together.

John Kurtz is a chemist in the Republic Steel Mills at Youngstown.

James Knopp is a farmer and has devised new and better ways to farm—without work.

Alma Drotleff is a stenographer for a large manufacturing concern in Pittsburgh, but—this is strictly confidential—she is marrying the boss in September.

Jane Oesch is now Secretary of State, and do you remember how Eula Fittro used to long to be somebody's secretary? She now holds that position in Jane's office.

Lewis Black is a physics professor at Miami University. He gives all credit for his success to his early training under Mr. Barton.

Marjorie Miller is raising winning thoroughbreds for the Kentucky Derby.

Henry Cole has a hunting lodge in Canada which supplies fur for many of the coats sold in the exclusive shops of Paris.

Have you had a chance to see Jack Fullerton in his latest comedy? If not, you have missed a circus. See him, if you have an opportunity.

Isabell Moore is taking a rest in the Adirondack Mountains after a very strenuous season on the stage.

Virgil Hoover Phd., A. B., L. L. B., Ma., BUNK, who is Superintendent of Columbiana

Schools, is a favorite with the students. Reason—he gives half of the school year for holidays and the remaining half for vacation.

Earl Kabler, an aviator of renown, is attempting a non-stop flight around the world. Bill Magill is accompanying him.

Helen Holmes has been traveling extensively since she accepted the position of governess with the DuPont family.

Dorothy Sheets is principal of a school in Cleveland and has good prospects of gaining still higher places in time.

Harold Burkle, John Eckard, Charles Snyder and Robert Essenwein have recently purchased the Firestone Farm and are now raising pigeons.

Verne Moser, head supervisor of the Salem Hospital, is doing much to make the days brighter for her patients.

Willard Kyser is a government draftsman and is now drawing plans for a new Supreme Court Building in Washington, D. C. to provide for the six additional judges which were finally added to the court.

Wilma Hetric is a happy-faced, placid-looking matron just as she was a jolly, even-tempered, good-natured, school girl.

Of course you remember Roy Rupert. He is an active politician and is at present campaign manager for Margaret Glecker, who is aspiring to be the first woman mayor of Columbiana. It is rumored that, if elected, she will appoint Alice Nelson as clerk in the city hall.

We can well be proud of our classmates, Ruth. All have achieved success in one way or another.

The boys who purchased the Firestone Farm have extended an invitation to the alumni of C. H. S. to meet at their home in August. I hope you will be able to attend.

Yours lovingly,

JUNE LUNDGREN

We have had many good times in C. H. S. and with the one remaining year in high school, we hope to accept and carry out the responsibilities as successfully as the preceding seniors have done.

On March eleventh, the Freshmen gave their assembly program planned by our home room teacher, Mr. Barton.

NATIONAL HONOR SOCIETY

In May, 1936, charter number 1774 of the National Honor Society was granted to Columbiana High School. Only schools of high standing are admitted to this society. To be a member of this society is one of the highest honors granted to high school students. Its purpose is to promote enthusiasm for scholarship, stimulate a desire to render service,

promote leadership and develop character. Only fifteen per cent of the graduates are chosen from the upper one-third of the class.

JUNIOR GIRL RESERVES

The Junior Girl Reserves consisting of freshmen and sophomore girls was organized September 1937, in order that the freshmen might have an opportunity to participate in the activities of the Girl Reserve Club. This division made two independent clubs of medium size. With Miss Starr as supervisor the girls progressed as rapidly as the long established club.

The year's social activities began with a breakfast at Firestone Park. Then followed the Hayseed Hooligan costume party, a covered dish supper and a Kiddies Party, but

the outstanding successful event of the year was the annual Mother-Daughter Banquet.

At Christmas time the girls joined in the social welfare work by repairing toys for the Campbell Children's Home. They also sold pennants to earn money for club activities. We discussed many interesting and educational topics at the business meetings and held several joint meetings with Senior Girl Reserves.

The girls are planning for a club room to carry on their various interests during the summer.

Librarians

LIBRARIANS

The High School Library was organized in 1919 and has proved to be a valuable aid to the students of the high school. The duties of the library fall to the students who take complete charge under the direction of the faculty librarian.

The period librarians take charge during study halls, keeping an account of the books taken out and those coming in.

The duties of the chief librarians are to check books taken out for a period of time, mend books, keep them and the library in order and file all new books, making them ready for use.

The past year the addition of twenty sociology books, an eight volume encyclopedia of civic social sciences, and various home economics books has increased the popularity of our growing library a great deal.

ATHLETICS

ATHLETIC COUNCIL

The purpose of the council is to direct the different athletic activities of the school. It discusses such things as schedules, officials, finances, sportsmanship, awards, and other matters pertaining to the betterment of athletics. The council meets once each month and the cooperation of its members is indeed good to behold. The high plane of Columbiana

High School's athletic program can be traced directly back to this council.

The officers and members of the council are as follows: President, C. B. Riggle, Supt. of Schools; Sec-Treas., E. F. Miller, Prin. of High School; Dr. F. W. Trader, President of School Board; James Wiand, Football and Basketball Coach; Waldo Ward, Jr. Hi and Track Coach.

COACH JAMES WIAND

Congratulations Mr. Wiand upon your successful coaching of our football and basketball teams during the past year. You have set a coaching record in Columbiana during your stay here that speaks for your coaching ability. You came as coach to Columbiana during our freshman year, four years ago, and our class can look back upon our high school record with pride in knowing that the past four years have been the most successful of the school's history.

There is more to successful coaching than merely winning games. To our way of thinking, Mr. Wiand, in addition to developing winning teams has emphasized and insisted upon the following characteristics: Clean playing, fair play, clean speech, clean living, clean thinking, and doing your best at all times.

"Jimmy" as he is called by his friends has a keen sense of humor and his ready wit adds spice and pep to our parties. He is a favorite of the entire student body and is backed by all.

COACH WALDO WARD

Much of Columbiana High School's success in athletics can be given to Mr. Ward who starts the boys on their athletic career in the Junior High School. His enthusiasm in athletics is unlimited and the boys working under him catch his spirit and cooperate to the fullest extent.

He coaches the Jr. Hi basketball team during basketball season and you can judge for

yourself by their record (winning 15 out of 17) how successful he is in coaching.

In High School he coaches track and each year Columbiana's track squad takes high honors in Northeastern Ohio and State competition. We are proud to leave "Wardy", as he is familiarly known, here at Columbiana and wish him as much success in the future as he has had in the past.

Football

FOOTBALL

After winning the Tri-County Championship in 1936 and losing quite a number of good boys by last year's graduation, the football schedule for the coming year looked terribly difficult and we as fans were not any too optimistic. The squad consisted of a good many seniors however, who had some experience during the former year and with such veterans back as "Sonny" Fisher, "Tarzan" Cole, and "Gromer" Poulton, the prospects of a successful season got brighter as the football season drew near. Candidates from the Frosh, Soph, and Junior classes improved rapidly and thus Coach Wiand turned what looked to be a mediocre season into a highly successful one, placing second in the Tri-County League.

No doubt the greatest satisfaction to the team was in being able to defeat Boardman, Louisville, Lisbon, and their old rival—East Palestine.

By faithful cooperation and hard practice the boys displayed what can be done, and set a high standard for on-coming teams.

The boys were grateful to their mothers for the fine "turkey dinner" given in their honor at the close of the season.

The squad appreciated the medical attention given them by Dr. Trader, and to Dr. Dewalt for his motion pictures that he took of the games thus enabling the boys to correct their errors in playing.

CHEERLEADERS

It is up to the cheerleaders to create pep and enthusiasm so as to encourage our teams on to greater efforts and victory. Each year cheerleaders are elected by the student body and this year's election found Marcella Bush, senior; Zella Bailey, junior; and Ruth Mollenkopf, freshman; out in front. Young Jimmie Trader delighted fans by appearing dressed as a cheerleader.

This trio worked fine together and in their red and white outfits made a pretty picture. We congratulate them on their appearance and success in directing the cheering of the student body.

FOOTBALL PERSONALS

Richard "Sonny" Fisher Fullback, Captain; Senior

This boy will long be remembered as one of Columbiana's most versatile and best athletes. He had a remarkable 4 year football record here. The past two seasons he was on tri-county and county all star selections. He excelled in all departments of football. We will miss "Sonny" but we hope that this is only his beginning. We are looking for big things from him in college competition. His actions have spoken much louder than words here can describe: Good luck, Sonny.

Bill Magill, Quarterback; Senior

Bill was usually the smallest man on the field this year. The weight handicap did not stop him from playing brilliant football. He handled the punts well, blocked well and got away for many thrilling runs.

Bob Entrikin and Bill Entrikin

It would not do to separate the twins. Bill and Bob were valuable men on the Columbiana team this year. They both had the fight and speed necessary for football. They did their share of ball carrying, pass catching and were excellent on forward pass defense.

Clyde Bauer, End; Senior

"Kelly" came to us from Greenford without much football experience. He learned quickly and developed into a fine end. His defensive play was outstanding and he was on the receiving end of many passes. Sorry he had only one season with us.

John Poulton, Tackle; Sophomore

Jack played his second year at tackle. Injury kept him out of the first two games. He soon made up for lost time in the remainder of the season. Jack played a fine aggressive game at tackle and we are sorry we had to lose him.

Ira Culp, Guard; Senior

Ira came through this year with a fine performance at guard. He blocked well and figured in most of the defensive plays.

Eugene Poulton, Center; Senior

"Euie" was outstanding at his center play. His accurate passing and hard blocking was an asset to our offense. He was vicious on his defensive play.

Bill Dewalt, Guard; Sophomore

Bill was the only under-class man to make the regular team. He was a fine blocking offensive guard and gave fine defensive support in backing up the line. He will be one of the key men in the next two years and the opposition will be watching Bill closely.

Henry Cole, Tackle; Senior

"King" was one of the outstanding tackles in this section, county and tri-county choice. He took part in every play and many opponents will long remember his football ability.

Joe Eckert, End; Senior

Joe played a brilliant steady game at end. This was his second season there. He shared honors in defense and offense. Sorry this is his last season.

Harold Burkle, Halfback; Senior

Harold was one more of our small men who gave all he had to the cause. He played some fine ball but was lost early in the season when he fractured his arm in the Minerva game.

Jim Burkle, Halfback; Sophomore

Jim was one of the few under-class men to make the grade. He was a hard tackler and a fine blocker. We expect big things from him in the next two years.

Virgil Hoover, Guard; Senior

Virgil made the mistake of waiting until his last year. He came along fast and made us a fine guard before the season was over. Sorry he is not coming back.

Jack Fullerton, Center; Senior

Jack was not a giant but he made up for it in spirit. He saw much service and always came through when we needed.

Olan Uselton, Tackle; Junior

Tiny came along rapidly for a first year man. With more speed and experience we expect big things from him next year.

Stanley Irons, Halfback; Junior

Stanley was another one of our pony backs. He played hard while he was in the game. Injury kept him out the later part of the season but we expect to see him in there next year.

Dick Stephens, End; Junior

Dick saw much service this year. With one year's experience he should be an outstanding player next year.

Reserve players who were out every night learning the game and who will be the next year's team were: Roger Chamberlain, Karl Zellers, Ralph Moore, Junior Moser, George Gleckler, Donald Bush, Clinton Howell, and David Holloway.

Arthur Rohrer and Charles Snyder, Managers

These boys were fine managers. They were always on the job. They did their work efficiently and willingly.

BASKETBALL

With players like Fullerton, Manchester, and Bob Miller lost through graduation, this year's basketball out-look (like football) was a little uncertain. Winning the Tri-County Championship last year inspired other schools to try and "topple" Columbiana from the top. The going looked extremely difficult and the schedule of 18 games quite long.

The call to arms was issued by Coach Wiand immediately after Thanksgiving vacation and found only four members of last year's varsity squad on hand, namely: "Sonny" Fisher, Bob and Bill Entrikin and Joe Eckert. The leading Tri-County scorer of last year, "Sonny" Fisher was included in the above and that in itself was enough to encourage and make happy the

hearts of the school, teammates, fans and the coach.

The season proved interesting and full of thrills with Columbiana on the long end of the score more often than the short end. Games were lost to Boardman, East Palestine, Struthers, and Sebring, with C.H.S. fighting at all times. At the end of the season the team had won 13 out of 18 games.

The reserve team although not winning as many games as the varsity team broke 500 by winning 10 and losing 8.

We congratulate the teams upon their brilliant performances, sportsmanship, and fair play.

BASKETBALL PERSONALS

Richard Fisher Center, Senior; Captain

Sonny carried an extra burden this year and came out with flying colors. He was the tallest man on the team and had to do most of the rebound work. He did this well and managed to score the most points in any one season of his high school career. He holds the tri-county scoring record.

Joe Eckert, Guard; Senior

Joe met all expectations his final year. He played a fine defensive game and was a constant threat on the offense. Joe was a fast floor man and a clever ball handler.

Eugene Poulton, Guard; Senior

This was Euie's first year on the varsity and he did not let us down. He was a clever passer and played a fine defensive game.

Bill Dewalt

Bill was a Sophomore who came along fast and finished the season as one of the mainstay forwards. We are expecting some real basketball next year from Bill now that he has found himself.

Jim Burkle

Jim is another Sophomore who is showing much promise. He has a good eye for the basket and next year with a little more weight he will be among the top in the tri-county.

Bill and Bob Entrikin

The twins were back playing their usual good game of basketball. They were fast and could be counted on to put up a good scrap all the time they were in there. Their offensive and defensive work was outstanding in several games.

Bill Magill

Bill was one of our best ball handlers and had a keen eye for the basket. He played many fine games. His height was a handicap against him in some of our big competition but we always enjoyed watching Bill play.

Clyde Bauer

Clyde developed into one of our best long shots. He was also a good defensive man and handled the ball well. We are sorry he could not have been with us longer.

Harold Burkle

Punk was also handicapped by his size but played many good games for us. He was a good shot and played a fine defensive game.

The Reserve squad of Dick Stevens, Howard Dunbar, Virgil Hoover, Joe Unger, George Gleckler, and Karl Zellers played some fine basketball at times this season and show some real promise for Columbiana's future basketball. We hope they continue their fine work next year.

The reserve squad of Junior Moser, Raymond Mollenkopf, Bill Readshaw, Donald Bush, Clinton Howell, David Holloway saw some service in the games this year and show some rival promise in the future.

Laurin Detwiler and Ira Culp, Managers

Laurin Detwiler and Ira Culp were the managers and kept everything in fine shape. They also developed a sharp shooting eye in their usual manager's practice session.

TRACK—1938

The 1938 Track Squad finds six letter men back from last year including co-captains Wm. and Robt. Entrikin, R. Fisher, R. Essenwein, S. Irons, and R. Mollenkopf. Clyde Bauer will replace Capt. Anglemyer while Fisher and Cole will take Manchester's and Fullerton's place in the shot and discus.

The 1937 880 yd. relay team was the best in the state—composed of Anglemyer, W. Entrikin, R. Fisher, and R. Entrikin. This outfit broke the 880 yd. record in every meet except at Mansfield. Their best time of 1 min. 32.7 sec. was made at Columbus for a new state

record. Capt. Anglemyer set a new county mark of 23.9 sec. in the low hurdles and Capt.-elect Wm. Entrikin set new County and District broad jump marks at 21 ft. 8½ in. and 21 ft. 5½ in. Fisher's best mark in the shot putt was 44 ft. 10 in. while R. Entrikin's best time for the high hurdles was 15.9 sec.

Last year's "trophies" included 68 "medals" and 11 "cups" won for the boys and the C.H.S. Trophy case.

The results of last year's meets with points scored and the place in the meets are:

JUNIOR HIGH BASKETBALL

This year's squad boasted of three really tall boys in Chain, Kyser and Hollinger. With a few years on the reserve squad they should make fine material for future High School teams. Kyser left the team shortly after the season started which left Chain and Hollinger to do most of the scoring. Rohrer, Echard, Hall and Harrold were the other members of the team who broke up the opposition's plays and started the fast "breaks" down the floor, which usually ended with Chain or Hollinger scoring. The total points scored by the team members were: Chain, 172; Hollinger, 148; Kyser, 70 points in 7 games; Rohrer, 40; Hall, 19; Harrold, 12; and Echard 2.

JUNIOR HIGH CHEERLEADERS

Ona Moore, Ellen Leshner and Lois Ann DeWalt proved to be three of the most co-operating cheerleaders we have ever had. Their "yells" were given at appropriate times with an extra large amount of that very

necessary "PEP" which was one big factor in the team's success in winning the majority of its games. Their new Blue and Gold jackets helped to add uniformity and smoothness to their actions.
